

EMERALD PARK HOMES LTD

What is TrustedRegina.com?

It is an on-line directory of local businesses that you can TRUST. We have all experienced bad service or products at some time. Sara, the Trusted Directories founder, arrived to Canada from the UK in 2006. With no one to recommend businesses or services to her, she struggled to find good providers for her many immediate and long term needs. She knew that there was something missing to help her find local, quality service driven businesses.

All the businesses featured on the Trustedregina.com directories, offer consumer guarantees, and also have been through a strict verification process and must sign annual contracts binding them to the 5 Trusted Guarantees of Service.

1. Provide the service and quality promised.
2. Complete the job on time.
3. Charge the price quoted with NO surprises.
4. Communicate honestly and be responsive to customer needs.
5. Resolve any issues with customer satisfaction in mind.

Emerald Park Homes is a proud member of the TrustedRegina.com team having over 20 years of home building experience in and around Regina and the rural area.

"When I initially met with them, I was impressed by their humble, can do attitude. It was clear that the Emerald Park Homes team is absolutely driven to provide the best possible home and home building experience for each one of their clients.

I saw that they truly care about the people they build for, and I heard that it's very common for past clients to swing by to say hi to the Sawchyn's when they are working at the office or the newest Emerald Park show home.

They are a hands-on, energetic couple leading a professional team and Trusted Directories are proud to partner with such a wonderful local, family run company who are really setting the standards for customer service and quality, as shown in each and every home they have built! This is exactly the kind of business we want to partner with." Sara Wheelwright, Trusted Founder.

Emerald Park Homes invites you to take the short drive to White City to see our great selection of fully serviced large lots. At least 16' between houses, lower property tax, a golf course, fresh air and walking paths for pets, children, parents & grand-parents.
